Changes in Test Structure of MPSTME/STME according to New NMIMS-NPAT 2020

Engineering & Technology Management aspirants interested to apply for UG programmes (B.Tech. and MBA Tech.) of MPSTME/STME should note that there is a change in test structure from the existing pattern to PCM.

The new changes in MPSTME/STME NMIMS-NPAT 2020 Exam Structure are based on Physics, Chemistry and Mathematics of 10+2 curriculum. Below mentioned are the details:

Sections	No. of questions	Time in Minutes	Total Marks
Physics	30	30	30
Chemistry	30	30	30
Maths	30	30	30
Logical Intelligence	20	20	20
Language Proficiency	10	10	10
Total	120	120	120

Admissions from NPAT 2020 include B.Tech. Undergraduate Degree Programs and MBA Tech. (B.Tech. + MBA Tech.) programs in MPSTME/STME at their Mumbai, Shirpur, Navi Mumbai, Indore and Hyderabad campuses.
